

**AFRA**

## Alliance for Recovery Advocates

**AFRA** is hosting a “good old fashioned town hall meeting.” We invite you to come and speak your mind, give comments or reflections on the current state of the judicial, human service, insurance, or program delivery systems in our state that are designed to affect alcohol and other drug abuse behavior. We want to know what professionals and consumers are thinking and what new strategies we need to develop.

Staff and Members of the WAAODA Board of Directors will be there to listen to all comments. A summary will be produced.

**When:** July 16, 2009

**Where:** St. Vincent de Paul Society Office  
2033 Fish Hatchery Road ~ Madison, WI
